

<b>Activity title:</b>	<b>All the words I know</b>
<b>Aim:</b>	Warm-up exercise
<b>Level/Age:</b>	All
<b>Group size:</b>	any
<b>Time:</b>	10
<b>Materials:</b>	no
<b>Outline:</b>	<ul style="list-style-type: none"><li>• Give the students 2 minutes to write down all the words they can think of connected with the topic of the lesson - e.g. Travel. They should do this individually.</li><li>• When the time is up, put them into pairs and tell them that they have to take it in turns to define each word on their list so that their partner can guess it - they can also draw a picture or use mime/gesture.</li><li>• If, when their partner has guessed it, they both have the same word on their list, they should both cross it off. The winner is the partner with the most original words and you can conduct whole class feedback on these.</li></ul>
